'Nut' and I spent hours with our heads together each day laughing and solving the world's problems. "If they would just listen to us...". Sometimes, we'd laugh so hard that neither of us could speak and when one of us would try, we'd laugh even harder. I'm very sad for the McNulty family. If they lost a family member as dear as my friend, the world will never be the same. For that, we all suffer an enormous loss. Love ya 'Nut'!! Pave the way for the rest of us! You'll never be alone! Tell Cheryl that we all said " Hay!" Good bye my friend, Deni Meeker
