We volunteered at RSVP together. I don't think Bea ever had a day of sadness. She always came in with a smile on her face. She had been at RSVP for a very long time. She likes finding word puzzles. She and Henry had been together for quite a while too but has passed on also. They both had kind souls. She lived a long life and could tell you stories of the past. You will be missed. In Christ, Marilee Mueller

I worked with Bee at Montgomery Wards those many years ago.. She had a pleasant smile and good sense of humor. Even though we only met once in awhile she remembered my name and we had a short laugh about MG. Blessings to you all and good memories of Bee.
