Helene Sophia Jeffrey lit a candle in honor of Sydney "Ted".

Our condolences, thoughts and prayers are with you and your family. Ted was a groomsman at our wedding in 1968, he and my husband Steve were very good friends. We moved from Clinton right after our marriage and unfortunately lost touch with many of our friends.

I'd like to extend my deepest sympathies to both friends and family of Ted. I never had the chance to meet Ted personally but heard many wonderful stories through his daughter, Teresa. I know they had the chance to travel together in recent years and Teresa cherishes those memories. I loved hearing their stories and seeing pictures. I'm grateful to Ted for giving me such a wonderful friend in his daughter, Teresa. She's a beautiful person & part of his spirit lives on in her.

I will never forget Ted. While he was being treated for cancer many years ago. Ted and Jackie brought us, hus chemo nurses, an actual Thanksgiving meal. He said we were what they were most thankful for that year. We felt very loved and much appreciated that day. We got to see him go through some of the toughest times in his life and come out the other side stronger than ever.
