**Jan Beveroth** lit a candle in honor of Lu.

Deepest sympathy to the family, especially DeeDee. Lu was always a friendly voice on the phone and a smiling face in the Medical Records Department (now HIM) when I had to have someone help me pull records for chart reviews back in the "old" days when charts were on paper. Losing Dale just a little over a year ago, and now Lu is devastating. Wishing you peace and comfort in your memories.
