Larry visited the Shannon family (first cousins) in northern Minnesota a few years ago. The Mississippi River runs through our property, Larry couldn't believe the river was only 15' wide. Larry enjoyed the pontoon rides and the warm fires in the evening. Ted, Sandy, Maureen and I enjoyed many good phone calls with Larry the last few years, it was great to connect again after so many years. Rest in peace Larry, our thoughts and prayers go out to the McClimon family. Marc and Sue Shannon

My dad, Ted, was Larry's cousin. He told me stories of times he spent together with Larry when they were young. They stayed in contact and about 8- 10 yrs ago the two of us road tripped down from Minnesota to Clinton. Larry took us to all the cemeteries of relatives in the area. It really helped me understand the connections in our family. I have fond memories of that trip and getting to know Larry. The three of us would talk on the phone off and on since then. He is missed.
