We were so sad to see about the passing of Andy, our long time neighbor boy. We grew up a few houses away and have know them all for our whole lives. You guys had coon hounds and so did we. Your parents were wonderful, I can still picture them in my head. You all will remain in my and my sisters hearts as a wonderful memory. Karen Iliff-Manikowski

I don't have a lot of memories with Uncle Andy, but I remember my twin and me staying at his house when we were kids, playing games, and him making us Orange Julius every time we visited after we introduced it to him. Even though he was quiet, he was always such a nice guy, and he will be missed
