Laura Wilkens lit a candle in honor of Robert.

Bob always had a good joke to tell me. Bob loved to fish and play the guitar. His father loved to play the guitar also. And he loved Goodwill he could always find something good there. He will be missed by his two sons Rest in peace Bob

Patty Wright lit a candle in honor of Robert.

I've known Bob for a very long time since 1996 we had our ups and downs but I will always remember the good times with Bob when they lived in Florida I went to go see him and his family and he used to go to Goodwill and find me movies and Bluetooth speakers any even gave me an Annabelle doll once in a glass case which I thought was really cool but he will be missed rest in peace Bob.

Bob was always a kid at heart. Loved staying up late, playing guitar, watching horror movies, talking rock n roll bands and laughing at the same immature jokes us kids would. He enjoyed getting out to fish with us and swore Jewel-Osco made the best chicken wings hands down. I'll miss him dearly and hold faith we'll meet again. Rest easy Uncle Bob.
