“ Helen was so much more than just a neighbor to my parents, Jeanne & the late Maynard Brown, she was a dear friend. She was so full of adventure & lived life to the fullest. She had a heart of gold & with each visit, brought the folks such joy! We kids too, enjoyed Helens visits, she was a true gem!! I am sure Dad welcomed her into heaven with open arms!
Peace & comfort to all who loved her.

“ Aunt Helen was my Grandmother's sister. I lost my Grandmother when I was only 7 years old & I've missed her every day since. But for the last 50 years I could hang on to her memory through Aunt Helen. She reminded me of my Grandmother in some ways. She was kind & gentle to everyone & always made me feel special. I always looked forward to her visiting us or us going to Clinton to visit her & my Great-Grandmother, & family picnics in the summer where she would play her accordian for us. There was always love & laughter in their presence. I am so blessed to have had her in my family. I treasure my memories & will smile when I think of her. I love you Aunt Helen. You will be forever missed but never forgotten.
