“ Aunt Noreen was such a lovely, positive and generous soul. She brought a lightness to our family that was much needed and appreciated. One of the things that stands out for me about Noreen is her way of seeing people and acknowledging their importance even when they are children. When she would come to stay with us, we would give her our beds to sleep in, as children were expected to do. Noreen would always leave us a dollar, not as payment but as a gift of appreciation. She saw children as fully as she saw other adults, and that is so very important. I will always love Noreen, and I know that the Light is guiding her on the next part of her journey. We were blessed that she walked with us for a time in ours. My warmest thoughts to her family and friends, I know she will be greatly missed.

“ We were so sorry to hear of Noreen’s passing. Noreen was such a loving and dedicated caregiver to so many family members in her life! I met Noreen through my dear friends Tom and Ellen Andrews. It was easy to see she was related to “Tommy” as they both had a love for their Lord and their fellow man. Noreen handled all of Tom and Ellen’s affairs which included their finances, shopping, and all doctors’ appointments, leaving nothing for me to do but continue my regular visits. Unfortunately, there came a point in time where Noreen’s care for others took away from her focus on her own health and we had to transition her care for Tom and Ellen over to me. Noreen and I came to know each other well over the short time I knew her, and we would always sign birthday cards to each other “Cousin Noreen” or “Cousin David”. She shared stories about her family, and I enjoyed meeting John and Lori through texts, emails, and a visit with Tom at Avante Rehab in Ormond Beach. Our thoughts and prayers and with Lori, John, and their families. Ellen Andrews and David Kendall
