“ Terry and Family,

I was a classmate of Judy's at Durant High School and have many fond memories of working with her in school activities over the years. She was always a dedicated and kind person. She has been missed by friends and classmates since those high school days, and will surely be missed by all whose path she has crossed during her life. May all of you be comforted by happy memories. Rest in Peace dear Judy.

With thoughts and prayers,

“ Judy you were one of my favorite teachers...then years later I was fortunate to meet up with you again. You were an angel sent from God.

Judy cared about Camanche like she was born here. She and Terry had a marriage that most should envy, they were always at meetings together and anywhere else you may run into them. I cannot recall ever seeing them apart. Terry I am so sorry for your loss. I hope the wonderful memories of Judy stay close to your heart.

Love,
Trevor and Kim Willis

“ Terry, Ron and I were so saddened to hear about Judy's passing. I am remembering the day we met both of you, when we came to pick up our first Westie puppy, Cleo. It was obvious Judy had a deep love for her "fur kids". We were able to share many good times together and have fun at several Westie Fests. It was also obvious Judy had a love for teaching and her students. It is amazing to think of all those she impacted during her career. Although we haven't been in close touch for a while we often thought we needed to get together. I'm sorry we didn't make that happen. Blessings and peace to you, Mary Lou

“ Terry, I was a class-mate of Judys in Durant, IA. I remember her well, we also worked at the Maid Rite in Durant during high school. Judy and family lived across the street from my grandparents, Gus and Dora Huesmann. From the picture, Judy looks just like I remember her, sure wish, she would have come to some of our class reunions, I know she would have enjoyed them, Brother, Brian, graduated with my brother, Harry Knutsen. With deepest sympathy, Connie (Knutsen) Coss.

“ Terry, MY thoughts and prayers go out to you during this sad time in life. Judy and you were the best advisory group members and volunteers we had at the 1st Gateway Credit Union New Horizons Club. I could always, and I mean ALWAYS count on you two to fill in all the "cracks" when needed. I was shocked and deeply saddened as were so many others I talked with when I heard the news of Judy's passing. I consider myself truly blessed have known Judy. Sincerely, Denny Duerling
