“ My love and prayers Barb are with you and the family! Dick was a very special friend, and was like a brother to my Dick! We had so many wonderful times together, and I will always treasure the memories. Our visits to Iowa to see you and he were some of our best and happiest times! Oh the stories these two could tell - all the golf outings - the cookouts - the riding around and touring of all the classmates homes, schools, the town, and all their old stomping grounds- the treasured times spent together will never be forgotten! I know they have been drinking a brewsky, talking, reminiscing, and hopefully playing golf!! You were the best wife ever, and was so good to Dick! You made him so very happy!! I love you dear friend, and am always here for you! He will always be with you - and I know watching over you!! May God bless you with the peace, strength, and healing you need in the days ahead.

“ Always had fun times with Dick, he will be missed by many. I enjoyed the golfing trips with him and the "group", really most where better than average golfers and that's what made it fun, Dick was one of the higher average golfers, too bad he was left handed. Remember Dick, not God play thru on the Heavenly course you are now at.

“ Dick was such a great man! He was our neighbor for several years and definitely and avid sports fan! He would always tell me about my husbands high school sports from years before. He had so much spirit and was so much fun to be around. Always loved seeing him out with his cigar that was never lit. Praying for Barb and the family during this difficult time. He will be missed by many.

“ My heartfelt sympathies go out to your family. DickyD I have nothing but great memories of you. When you worked with my husband Miller beer, there was a lot of fun back then. Your visits to MLCN to see one of our residents...He so enjoyed when you and Mo came to visit. You were always chewing on that cigar. And most recent caring for you during your short stay at Alverno. I take great pride in caring for others. At this horrible Covid time it has been extremely hard. Having visiting restrictions at this time in our lives, has been a nightmare, as all your family has realized. I wish you peace. And will pray for you family. Hoping that they all can come together to celebrate your life! You were a good man DickyD. RIP

“ Dick DeHaven what a great guy. I totally agree with what was written in his obituary...."he never met a stranger". That's because he was so very friendly to everyone he met. Whenever I'd see him he always had a cigar in his mouth, and I'd ALWAYS tease him and ask him if he had a match, fully knowing he NEVER lit that cigar. My prayers go out to all in his family.
